**NOTICE OF EX PARTE COMMUNICATION
OF THE DIVISION OF RATEPAYER ADVOCATES**

In accordance with Rules 1.4 and 7.1 of the Commission's Rules of Practice and Procedure, the Division of Ratepayer Advocates ("DRA") submits this notice of an oral ex parte communication.

On July 12, 2006, at Commission headquarters in San Francisco, Robert Kinoshian of DRA met with Rami Kahlon, advisor to President Peevey. Mr. Kinoshian explained that DRA supports the proposed decision approving the settlement agreement between Pacific Gas and Electric Company and the Independent Energy Producers Association on qualifying facility ("QF") pricing (item 47 on the July 20 Commission meeting agenda). However, DRA does not support using the prices in the settlement as a precedent for general pricing for QFs, which will be the subject of a subsequent Commission decision. There were no written materials used in the communication.
